

Minor Consent & Parental Guide

Disclosure

The attached form is for minors aged 16 and 17 who wish to attend AnthroExpo 2024 unaccompanied by a guardian. **Minors aged 15 and below must be accompanied by a legal guardian, and do not need to complete the form**, but attending parents may refer to the information below. **Minors attending unaccompanied aged 16 and 17 must have a valid Government issued photo ID, otherwise they will need to register with their legal guardian and the legal guardian will need to provide ID to check in their child.**

AnthroExpo is an annual convention that aims to unite an eclectic group of artists, performers, entrepreneurs who celebrate anthropomorphism. It will be held the weekend of February 1st - 4th, 2024, at the Embassy Suites and Convention Center located in Norman, Oklahoma. This event is operated by Scissortail Fandoms, Inc a non-profit organization dedicated to raising money for charitable causes, to engaging the anthropomorphic community in Oklahoma and regionally, and to endorsing the good that members of this rapidly growing community have to offer. It is our highest goal and privilege to debut an event that is both safe and fun so that all attendees have a positive experience.

Because AnthroExpo is a hotel convention, many guests will be taking advantage of a "group booking" hotel stay at the Embassy Suites. Please note that for their safety, minors cannot stay overnight unaccompanied in the hotel, and unaccompanied minors will not be allowed in or near hotel rooms at any time while attending AnthroExpo. Staff and Security will be able to identify minors by security methods not disclosed, as per AnthroExpo's Code of Conduct.

This event is open to anyone who registers; persons requesting registration are not screened or reviewed upon purchase. While safety is our highest priority, neither Scissortail Fandoms, Inc nor the Embassy Suites in Norman bears any responsibility for the actions of its members. For a complete Code of Conduct and other details, please visit our website: <http://anthroexpo.net>
